

We are your supplier, not your competitor.

### TDW (Tire Dealer's Warehouse)

TDW is a leading, multi-brand tire wholesaler in North America. Stretching across the United States, this expansive network guarantees our dealers quick, convenient access to both our private brands and some of the hottest manufacturer brands today.

Staffed by industry veterans, TDW offers convenient ordering options to fit dealers' needs. Orders can be placed quickly and easily online or over the phone with assistance from our multilingual support team. No matter the ordering method, the end result is always the same. Dealers get the products they need, when they need them.

# WE'RE MOVING!

For 13 years we have been pleased to serve our customer base in the greater Dallas area, and because of the continued support of dealers just like you, our new and expanded facility has become a reality.

While our location has changed, our commitment to being your supplier, not your competitor, remains the same.

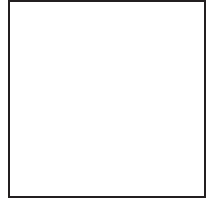

At TDW Dallas we continue to work hard to earn your business everyday. Our new facility offers 50% more storage capacity to carry the tires you need when you need them. With a newly designed, energy efficient building, and state-of-the-art RF inventory tracking, and 10 truck docks conveniently located off I-635, we believe we can better serve your needs and welcome you to stop by and see us.
