HERCULES TIRES
RIDE ON OUR STRENGTH.

ULTRA TOUR LE

- Silica-enhanced tread compound maximizes traction in all seasons without tread life reduction
- Modified lay nylon technology provides stability and promotes even treadwear, resulting in lasting ride quality and long life
- Deep grooves and heavy siping channel away rain and slush for confident handling in adverse conditions
- Innovative bead construction and sidewall configuration improve responsiveness and enhance lane change and cornering ability
- Carries 60 or 65 thousand miles of warranty coverage and exclusive Trust Our Ride test drive *
